Teen Singer Oliver Richman Debuts Two Original Songs and New Website

Music News Desk Sep. 5, 2017

Multi-talented 16-year-old singer/actor, Oliver Richman, debuts two original, powerful, heartfelt ballads, "You and I" and "Rise," both available for digital download on Amazon and iTunes. The young performer also launches a new website www.oliverrichman.com (<http://www.lisadawnmiller.com/>). The new recordings were written and produced by Oliver's mother, singer/songwriter Lisa Dawn Miller (www.lisadawnmiller.com) (<http://www.lisadawnmiller.com/>) and her writing partner, Mark Matson.

"The song 'You and I' is about letting go," Miller said. "It is very hard but sometimes in order to grow we have to let go," Miller continued. "That doesn't diminish the things we've shared or experienced in our past. In fact, it's those things that make us who we are," Miller said. "'Rise' was inspired by one of my heroes, Michelle

(<https://www.broadwayworld.com/bwwmusic/artist/Michelle>) Obama. I believe that one of her finest moments was when she said, 'when they go low, we go high.' It resonated deeply with so many of us - and it is easier said than done. It requires us to evolve," Miller continued. "We all have a choice. 'Rise' is about my hope and optimism that we can live in a better tomorrow because of the choice each of makes today," Miller said.

Richman's grandfather, legendary songwriter, Ron Miller (<http://lasvegassun.com/vegasdeluxe/2013/jul/23/lisa-dawn-miller-hackett-once-my-life-honors-my-f/>), wrote hit standards such as, "For Once in My Life" (<https://www.youtube.com/watch?v=TqPBW3z38Dc>), "Touch Me in the Morning," "Place in the Sun," "Yester-me, Yester-you, Yesterday," "Heaven Help Us All" (<https://www.youtube.com/watch?v=OijvTLKxmQE>), "I've Never Been to Me," "Someday at Christmas" (<https://www.youtube.com/watch?v=MaA7B9cu4kU>), "If I Could" (<https://www.youtube.com/watch?v=0J92CuRx8IE>), and many more. In 2014, Richman released a special 50th Anniversary (<https://www.broadwayworld.com/bwwmusic/artist/Anniversary>) recording and music video of his grandfather's classic, "For Once in My Life" (<https://www.youtube.com/watch?v=TqPBW3z38Dc>), "The same year he released a powerful rendition of Bruno Mars' "Count on Me" (<https://www.youtube.com/watch?v=OjMu49cvGbE>)," which he arranged and performed as a piano-only ballad.

In 2016, Richman released several powerful recordings, including, "Believe" (<https://www.youtube.com/watch?v=zI221briWaw>)" and "Today" (<https://www.youtube.com/watch?v=jiDh2jWIR4k>)," also written and produced by Miller and Matson.
